Apostille Requirements for Newly Admitted Students

Since July 14, 2007, the Republic of Korea has been a party to the 1961 Hague Convention abolishing the Requirement of Legalization for Foreign Public Documents. The Convention provides for the simplified certification or public (including notarized) documents to be used in countries that have joined the convention.

The Apostille ensures that public documents issued in one signatory country will be recognized as valid in another signatory country.

- Apostille certificates are to be submitted within 15 days after enrollment at SNU.
- For information regarding how to get an Apostille, please refer to the website <http://www.hcch.net> (Apostille Section).

A. Newly admitted students from countries which are signatories to the convention must meet the following requirements:

- ❖ Please refer to the list of signatory countries on Apostille certificates in the next page.
- 1. Official certificates (transcripts, diplomas, etc.) from public schools or institutions should be submitted with the attachment of “Apostille”.
- 2. Official certificates (transcripts, diplomas, etc.) from private schools or institutions, however, should be officially notarized by a notary, agency or any other authority competent under the law of the country of origin of the certificates, and then, should be submitted with the attachment of “Apostille”

N.B. All documents should be in English or Korean. If it is in any other language, you must submit a notarized/certified translation (in English or Korean) completed by a public notary in the country where the document was originally produced.

B. Admitted students from countries which are NOT signatories to the convention and do not recognize the Apostille must meet the following requirements:

1. Official certificates (transcripts, diplomas, etc.) must be legalized by a Korean consular officer in the country where the certificates were issued.
2. Applicants from these countries should submit the official certificates with the attachment of an Authentication (ex. Certificate of Authentication or Certificate of Overseas Educational Institutions) issued by the Korean Embassy or Consulate.

N.B. All documents should be in English or Korean. If it is in any other language, you must submit a notarized/certified translation (in English or Korean) completed by a public notary in the country where the document was originally produced.
