Admissions decisions are made based on overall evaluation of candidate's academic achievements and potential as well as his or her personal accomplishments.

The admissions committee reviews a number of factors – academic records of previous studies such as Grade Point Average (GPA), study plan, personal statement, and letters of recommendation. Other achievements and specific qualifications such as language proficiency are also taken into consideration. The candidate's application is reviewed in the context of the level of studies completed, quality of achievements, and characteristics of institutions attended. Finally, the appropriateness of the applicant's academic goals and the suitability of preparation for the desired program is assessed.

Interviews, examinations, and/or additional documents may be required depending on the policy of the college or department. If the applicant is applying for the College of Fine Arts, the College of Music, the Department of the Music Education or the Fine Arts Education Major, the applicant will be individually notified of any further requirement as necessary.

10/ Things You Should Know After You Are Admitted

2. Applicants whose graduation status is pending during the time of the application should submit their graduation certificates to the Office of Admissions within 15 days after their enrollment at SNU. Failure to submit such a document without a valid reason may invalidate any admissions offer.
3. Since July 14, 2007, Seoul National University has complied with the Apostille requirements in accordance with the 1961 Hague Convention. Accordingly, newly admitted students from countries which are signatories to the convention must attach and submit the Apostille. Students from countries which are NOT signatories to the convention must submit substitute documents; which can be official documents legalized by a Korean consular office, or another form of authentication (e.g. a Certificate of Authentication or a Certificate of Overseas Educational Institutions) issued by the Korean Embassy or Consulate. Please refer to Appendix 3 for further details.
4. Please be sure that the University issues only the Certificate of Admissions for student VISA (type: D-2) application for the admitted students. For more information about submitting the Approval Number of Visa Issuance for Chinese students, please refer to the webpage of Office of International Affairs (<http://oia.snu.ac.kr> – Life at SNU – Immigration).
5. Based on the application materials submitted, the admissions committee will decide whether each admitted student should take an additional Korean proficiency test. Admitted students, who are notified of taking the Korean proficiency test at SNU Language Education Institution (LEI), should refer to the test schedule indicated in the “Reference Guide for the Admitted International Students” for the date and location of the test.
6. If a student gets Level 4 or below in his/her Korean Proficiency Test as mentioned above, he/she may be limited to take certain courses or required to take Korean Language classes at the SNU Language Education Institute (<http://lei.snu.ac.kr>) at their own expense. The applicability of this rule will be determined by the department in which the student is enrolled.
7. Admitted students may not defer enrollment to a later semester. Students who wish to defer enrollment must re-apply for the next intake, OR undertake registration process first and then submit the leave of absence.
8. After the announcement of admissions decision, admitted students will be given a booklet; ‘Reference Guide for the Admitted International Students’.

• The table above is based on Spring 2018 tuition.

Since July 14, 2007, the Republic of Korea has been a party of the 1961 Hague Convention abolishing the Requirement of Legalization for Foreign Public Documents. The Convention provides for the simplified certification or public (including notarized) documents to be used in countries that have joined the convention.

The Apostille ensures that public documents issued in one signatory country will be recognized as valid in another signatory country.

- Apostille certificates are to be submitted within 15 days after enrollment at SNU.
- For information regarding how to get an Apostille, please refer to the website <http://www.hcch.net> (Apostille Section).

A. Newly admitted students from countries which are signatories to the convention must meet the following requirements:

1. Official certificates (transcripts, graduation certificate/diplomas, etc.) from public schools or institutions should be submitted with the attachment of "Apostille".
2. Official certificates (transcripts, graduation certificate/diplomas, etc.) from private schools or institutions, however, should be officially notarized by a notary, agency or any other authority competent under the law of the country of origin of the certificates, and then, should be submitted with the attachment of "Apostille".

N.B. All documents should be in English or Korean. If it is in any other language, you must submit a notarized/certified translation (in Eng. or Kor.) completed by a public notary in the country where the document was originally produced.

B. Admitted students from countries which are NOT signatories to the convention and do not recognize the Apostille must meet the following requirements:

1. Official certificates (transcripts, graduation certificate/diplomas, etc.) must be legalized by a Korean consular officer in the country which issued the certificates.
2. Applicants from these countries should submit the official certificates with the attachment of an Authentication (e.g. Certificate of Authentication or Certificate of Overseas Educational Institutions) issued by the Korean Embassy or Consulate.

N.B. All documents should be in English or Korean. If it's in any other language, you must submit a notarized/certified translation (in Eng. or Kor.) completed by a public notary in the country where the document was originally produced.
